1. Minutes approved from 10/6/22, 4-0
2. Mark Oullette gave planning update. He said they are well on the way to get construction totals, which is the prerequisite to get the 5-year pro forma revenue projections. He is comfortable that Axiom will have their work done by Thanksgiving November 24<sup>th</sup>. He also discussed forming Broadband Utility Districts (BUDs), the argument against Spectrum and other cable companies, bridging the gap in public relations.
3. Dresden sent their 'Get Ready' application, Wiscasset has a draft, Woolwich has a draft as well
4. Adjourned 4:02pm
