

Meeting Notes Jan 10 2023, approved

Present: Susan, Dick, David G, Frank, Dennis, Larry, Callie, Tom Niles

Approved Jan 3 2023 meeting notes

Memo to BOS re: launching fees and insurance requirement: approved with changes

Rec Pier Tie up fees and policies: to be continued.

Facebook and Town Web Page and other social media, Susan Will contact Robin

Updating a few cruising guides: invite the Working Group to participate? Seems to blend with social media

Get update on Electric pedestal installation from Ted. The Virginia is using extension cords, like Providence and will cover electric charges.

Ice Cream building needs to be metered for electricity...Ted

Sailboat that Larry had removed, he will send a letter considering it abandoned property and take next steps. Currently stored at Flatworks

Callie mentioned one of the cameras needs adjusting for a more effective view...License Plate reader at launch ramp

Paying for Water, discussion: bill is high, considering a water meter for commercial use and any boats not paying for tie up. Dick and Larry will look into a card or cash vending meter and contact the Water Dept.

Adjourn 6 10.
