

Waterfront Committee Meeting Notes August 2, 2022 approved 4/0 on 9/13/2022

Present: Susan, Dick, Dave, Frank, Ron, Dennis, Larry, Callie

Pier Expansion meet with Selectboard... put on hold

SR, Dick and Dave will visit local slip tie up sites (some from report) and gather more detail to fit the vision for Wiscasset use the sheet and take pics.

Larry reported a request for an opportunity to rent a town mooring for \$750 - \$900 for 3 mos.

Pennants for town moorings being ordered

Worm boxes not registered, pulled and message left. Looking for a stiffer consequence to not registering.

Dennis suggested repairing our ramps and boardwalk seawall. Covid funds available.

Dick to contact DEP

Dick: Contact Prock/ other marine engineers for an estimate: to repair launch ramps and Town Landing, and secure seawall connecting 2 piers.

Design with lowest maintenance desirable

We have cameras that record for surveillance at the waterfront...Launch ramps etc...

Waiting for installation. Cameras will give us a better account of use of the launch ramps, tie ups, other issues. Reviewing data will help us establish fees, and policies.

Waterfront Sub Committee/ working group for development projects to be continued.

Next meeting Sept 13, 2022
